

Have you ever considered the skilled trades for work?

Did you know tradespeople:

- **Make a good living?**
- **Grow their career faster?**
- **Have practical, useful, and transferable skills?**

Learn why youth and people seeking work should explore the skilled trades. Join Mosaic Transit Group and skilled trades experts for a discussion about job opportunities in the trades industry and the pathways to becoming an apprentice. A question-and-answer period will be provided.
